PERSONAL PROTECTIVE EQUIPMENT

BLUNT TRAUMA PROTECTION

With a modular design and multiple sizes to fit male and female officers, we are certain that Scorpion PPE offers the best protection for high-risk operations.

Each piece is ergonomically designed with real-life movement in mind: adjustable straps ensure a better, more stable fit and flexible molded joint areas help maximise officers' mobility.

- Modular, ergonomic design
- High quality materials for maximum protection and longer product life
- Available in up to 5 sizes (XS - XL)
- Male and Female variations where necessary
- Cotton-covered straps for improved comfort
- Limb Guards certified to BS7971-4:2002 and Home Office CAST 20/07
- Manufacturing certified to ISO9001:2015
